today hefore the insurance investigating committee. He presented a statement of rebates paid to Mr. Hegeman on interest on loans on his personal account. The statement showed that Mr. Hegeman paid Vermilye & Co., bankers, interest at the rate of 4½ per cent and received in the personal checks of various individual members of the firm at different times a rebate of this interest at the rate of 3 per cent. The statement covered a period from June 30, 1802, until this year, when Mr. Hegeman's account was transferred to W. H. Reed & Co., on the dissolution of Vermilye & Co. Mr. Read was one of the partners in Vermilye & Co. The total auomnt of the rebates paid to Mr. Hegeman's a shown by the statement presents.

Did Not Want It Known,

and confidential clerk for McKaye & Co., who were employed in the dissolution of Vermilye & Co., was then examined. He described the system of remitting the rebates. The books do not show, according to the witness, that the moneys were actually paid to Mr. Hegeman.

Hegeman's Profits.

Mr. Hegeman then resumed the stand and the statement of his syndicate participations was read. It covered a period of ten years and witness said the syndicates had netted him about \$48,000. This amount is exclusive of \$16,000 he paid into the treasury of the company in May or June. 1905. This payment was made after consulting counsel, when the Equitable trouble was in the public eye last spring. Witness said he did this, not because he had done anything wrong, but he did not want to have anyone feel that he was taking advan,age of the company on account of his connection with it. the Metropolitan "represented what it might be claimed I had made through the participation of the Metropolitan Life in he various syndicates in which I had participated myself."

Official Canvass Shows Hartenstein Ahead

Councilman E. A. Hartenstein still the 39th district, while the books party were present during the canvass ad his lead of nine vootes over W showed that but 443 votes were cast. among them Councilman-elect C. J had his lead of nine vootes over W Mont Ferry, the American party candi date, after the city council, sitting as board of canvassers, had completed the municipal ward. The only change in the results on the Fourth ward councilmant ticket, as announced in The Herald the morning after the election, was on Councilman W. J. Tuddenham, whose yote is reduced to 1217 from the street and provided the street and the street about the issue on the council ticket there. canvass of the returns from the Fourth only one canvassed last night. 1.367, leaving him with a lead of 17 over Perry Anson, the American party candidate. The error was made in transmission during election night, and did not exist on the official returns.

The error was made in transmission during election night, and did not exist on the official returns.

not exist on the official returns.

S. P. Armstrong, secretary of the American party city committee, announced after the canvass of the Fourth had been completed that the matter would be taken into the courts can belief of Messay. Form and Assem on behalf of Messrs, Ferry and Anson. Mr. Armstrong said the court proceedings would be based on "irregularities." As the only discrepancies between the poll books and the official registers found last night existed in the 42nd and 43d districts, where the Americans had heavy pluralities, the threat of the court proceedings is not taken seriously by Messrs. Hartenstein and Tudden-ham. Their belief is that the Americans will be content to let well enough alone, so far as those districts are concerned, at least.

Two Make Gains. The only changes on the general

ticket as a result of last night's canin the 43rd, while Mr. Buckwalter gained his five in the 41st. It was found that 446 votes had been

> desired," he said in conclusion Fernstrom expressed a doubt as to the legality of beginning the canvass with any ward other than the First. but City Attorney C. C. Dey, who was present, explained that the council could begin the canvass with any district it might select.

Week's Work Ahead.

The council resolved itself into a coard of canvassers at 8:50 o'clock. The canvass of the Fourth ward, the smallest in the city, was not completed until after 11 o'clock, so that it is likely the council will be busy during most of the week before the canvass is finof excitement. This will be more no-ticeable in the canvass of the wards lacking in other wards, where the vote was not close enough to leave room for reasonable doubt. Several members of the American sion tomorrow evening.

among them Councilman-elect C. J. Crabtree of the First ward, W. Mont Ferry, Perry Anson, H. J. Dininny, S. P. Armstrong, Recorder-elect Rudolph Alff and others, Mr. Ferry was met on his entrance by Councilman Harten-stein, who shook hands with him warmly and found him a seat inside the rail. Mr. Alff sat with Auditor C. E. Felt during the greater part of the The canvass will be resumed at 7:30

Regular Work of Council.

and this represents the value of the ground alone as the building is prac-

ed adjoining him on the north and thus shut off the light and ventilation from devices for the use of the cemetery, hadly in need of more room to take care of the overflow from the main building, which is crowded with tenbuilding, which is crowded with ten

Mr. McCornick is not certain as to the time of starting work on his new building. L. S. Hills and the D. H. Peery estate are also planning to build. They own 100 feet frontage on the north of the piece just purchased by Mr. McCornick. Their intention is to build a substantial two-story block covering the entire ground and Mr. McCornick will join hands with them in the enterprise. The improvement will cost in the neighborhood of \$50,000.

REPORT TWO GOOD SALES.

Charles F. Warren and Thomas Condie Will Build.

Thomas Condie is planning to erect three modern terraces on the corner of Fifth South and Second West streets. ost of the buildings is estimated at \$14,000, and work will be started a once. The lot, which is 7x7 rods in extent, was purchased recently to \$4,000 through the Anderson-Calliste

Agency company. Charles F. Warren, agent for the Atchison, Topeka & Santa Fe railre has just completed the purchase of 10x10 rod lot on the southeast corner of First South and Thirteenth East streets, for \$4,800. The purchase was made from Edwin Cleophas of Chicaso through A. Richter. It is the intention of Mr. Warren to erect a fine modern home on the lot purchased.

BIG DEMAND FOR STORE ROOMS

High Rents Do Not Deter Merchants From Doing Business.

The fact that there is not a vacant store room in the business district of sales agent for the store room in the business district of Salt Lake has not escaped the notice of visitors, and especially those who are contemplating making this city their home. This is considered one of the best advertisements a city can have. It tells the story of growing business and unshaken confidence. The rents asked for some stands are startling, and yet the merchants are determined. and yet the merchants are determined to be in the favored spots in the business districts. The scramble for the ness districts. The scramble for the room now occupied by the Salt Lake Route offices is fierce. This road will soon take possession of its beautiful quarters in the new Herald building. Knowing this men in various lines are after the room in the Morian block soon to be vacated, willing to pay \$3,000 a year asked as rent by the proprietor. The Greek boys who run the boot The Greek boys who run the b black stand just north of the new ald building pay \$100 a month re a little den hardly large enough to in. This means \$3.50 a day in shines before a penny can be la for bread. Such things as this expanding of the busines

The Merchants' & Manufacturers' association became a factor in the development of the city. Sixty publicspirited men, including manufacturers, merchants, jobbers and real estate men met at the Commercial club and took action that will have a far-reaching influence in the building up of the com-munity. A large majority of those present volunteered to join the organization; committees were appointed on membership, on constitution and byaws and on canvassing the community

The meeting was one of the most pro-fic in the industrial history of the city. The feeling was admirable. Sugges-ions were made which will lead to reat things in the near future; everythe power he could muster for Greater Salt Lake. The statement of a man from Dallas, Tex., that his city was to have a population of 150,000 in 1910 seemed to set the mark for Salt Lake, and the speaker was cheered justily as though he was talking for Utah instead of the Lone Star state.

Wide-Awake Men to the Front. The names of the men who stepped

orward to join the organization even before the adoption of a constitution are a guarantee that the movement has substantial backing, that it means busi-ness, and that it will not be swerved from its purpose by ordinary obstacles. They are C. O. Harris of the Indepenent/Home Telephone company; 5.

was made to enforce the individual liability requirement of the national banking laws in 1900, seven years after the suspension of the bank. Barton took the case into the Kansas courts, pleading the statute of limitation which protects a debtor after three years. The state supreme court sustained the plea, but that decision was reversed by today's decision.

FEMALE SHARPER IN CLUTCHES OF THE LAW

Seattle, Wash., Nov. 13.—Upon a warrant secured by Postoffice Inspector Parr, Mrs. J. L. Woods, was arrested by Deputy Marshal Lathe, yesterday morning for conducting a matrimonial bureau. The woman has grown wealthy from her extensive operations. From a rancher at Yakima she obtained \$400, and from a man at Alder \$200. In each case the woman named herself as the one that would marry

Secretary Hitchcock Declines to Approve Utah Irrigation Project on Account of Lack of Necessary Available Funds.

ASHINGTON, Nov. 13.—Secretary
Hitchcock has refused to approve
the Strawberry Valley irrigation

The Strawberry Valley irrigation irrigation

The Strawberry Valley irrigation irrigati project, near Salt Lake City, giving as gen the reason lack of money. This project, along with several others which have been studied by reclamation engineers and recommended for approval by the reclamation service, must wait at least until the first of July next, and possibly
